The screenshot displays the 'Manage Restricted Affixes' web application. The browser's address bar shows the URL: C:/Users/kjmad/Desktop/ADL%20Fair/WebPages/Restricted%20Affixes/Restricted%20Affixes.html. The page features a navigation bar with a 'Back' button and a title 'Manage Restricted Affixes'. Below the navigation bar, there is a search bar labeled 'Search Affix...', a 'Sort By' dropdown menu, and a 'Filters' button. A status bar at the top right indicates 'Page : 2 / 30' and includes a bookmark icon. The main content area contains a table with columns: S.no, Restricted Affix, Last Updated By, Affix type, Update, Delete, and Info. The table lists several affixes, including #1 (Affix 1, Official 1, Prefix), #2 (Affix 2, Official 2, Suffix), and #49 (Affix 49, Official 49, Suffix). Each row has corresponding 'Update' and 'Delete' buttons. At the bottom left, there is a button labeled 'Add new Affixes'. An inset window in the bottom right corner shows a 'Snipping Tool' notification: 'Screenshot copied to clipboard. Automatically saved to screenshots folder. Mark-up and share'.
